FRONT LINE LEADERSHIP DEVELOPMENT

Engaging People In Continuous Improvement

BENEFITS OF PROGRAM

Continuous Improvement Thinking For Leaders

Leadership in Continuous Improvement Thinking as it applies to a high performance culture.

Coaching for High Performance

Motivate and provide meaningful feedback to build personal and organizational strength.

Changing Culture

Learn how high performance cultures are created and perpetuated. Apply tools to help team members transition through these changes.

Engagement

Develop communication skills to engage team members, prevent conflict and interact efficiently with all levels.

Problem Solving & Team Skills

Develop high performance team skills to improve productivity, problem solving and innovation.

PROGRAM DESCRIPTION

The Front Line Leadership Development Program provides leaders with the skills to create a high-performance culture and engage their teams in Continuous Improvement Thinking.

In addition to the focused content of the workshops, the leaders and their mentors are supported by expert coaching between workshops to practice the skills they learn and to ensure skill development continues after the conclusion of the program.

WHO SHOULD ATTEND?

- Front line Supervisors, Managers, and Team Leaders
- Project leads, continuous improvement facilitators
- High potential leaders with or without direct reports.
